Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>Meenakshi Academy of Higher Education and Research is a multidisciplinary institution that imparts quality education in Medical, Dental, Nursing, Physiotherapy, Occupational Therapy, Humanities and Yoga Sciences since 2004. With the changing demands imposed by COVID-19 pandemic online mode of teaching, learning and evaluation were resorted to provide seamless education to students of all branches. As per the guidelines issued by the UGC, a taskforce was formed at MAHER to draft the Standard Operating Procedure for delivering online education, to identify resources required for its implementation, the challenges involved in the whole process and to monitor the academic proceedings of all courses. The Academic Council of MAHER, which is the highest decision making body on matters pertaining to Academic and Curricular aspects, and the Board of Studies of various courses approved the strategy for implementation of online education</p> <p>Learning management software including MOODLE and ION-IDEA (LMS) and licensed version of online platforms including Cisco WebEx and Google Meet were procured at MAHER to deliver the online classes. All faculty members and students were then trained to handle online platforms and to develop e-content both by internal and external resource persons. A separate time table was formulated for the online classes and circulated among the students and faculty members to ascertain completion of syllabus for all courses in the stipulated time. Apart from the regular theory classes, case presentations, seminar and journal club presentation and practical demonstrations were conducted effectively through the virtual platform. All academic deliberations were recorded, archived and shared to students who had difficulty to get connected to the online classes due to technical issues. Periodic evaluation of students was also conducted in online mode as proctored exams using licensed platforms. Upon relaxation of lockdown restrictions by the State government, students belonging to health streams were provided clinical training in the respective hospitals by following COVID appropriate behaviour after dividing them into smaller batches.</p> <p>Additionally, the students were introduced to various online resources and were encouraged to complete courses in SWAYAM and other MOOC platforms. Subscriptions to various online resources including J-gate, Delnet, Proquest, and Elsevier's Clinical Keys were made to benefit students and staff. Further, the libraries located in all campuses of MAHER were integrated and remote access to the e-learning resources was enabled to students and staffs. Webinars on several informative topics and clinical society meetings from all departments were periodically conducted to make sure that the students do not miss out on any aspect of learning. The students were also encouraged to attend online conferences and present papers/posters under the guidance of the faculty members. In this manner, MAHER adopted all possible measures to complete the syllabus of various courses during the trying times and ensure asynchronous learning.</p>		
3. The period of delay in completion of syllabus (in months).	0		
4. The period of delay in conducting exams (in months).	0		
Portal Name	No. of students offered online courses which have credit transferred to transcript	Total no. of online courses which have credit transferred to the transcript	Total no. of credits transferred to transcript
